SECY L
GOVT OF MYSORE

Sir,

I have the honour to state that at present there is no rule in the Municipal Accounts Manual requiring the furnishing of the yearwar and Babwar (classwar) details for the closing arrears of Mohataria tax at the end of a year For this reason, while some big Municipalities furnish necessary details thereof in the Kulwar Baki patties or the yearly Demand, Collection and Balance statements, the others do not furnish such details. The yearwar and Babwar details are necessary for purposes of audit to verify that the claims have not become barred by limitation and to ensure that necessary action to recover the arrears has been taken in time. They are equally necessary for the Administrative Heads of Municipalities also to caution them against allowing any claims to become barred by limitation I therefore propose that the following note may be added at the end of Rule 42 of Municipal Accounts Manual and solicit approval of Government thereto On receipt of the orders of Government action will be taken to issue necessary correction slip to the Account Manual

"Note In support of the closing arrears as arrived at in the abstract of the totals referred to in the above rule, an abstract of yearwar and babwar details should invariably be furnished, at the end of each year.

I have the honour to be,
Sir,
Your most obedient servant

M. Viraraja Urs
Comptroller.
